

## Lindsay Unites in support of Jumpstart

On December 27th the Lindsay Unites Group held their 3rd annual Jumpstart Event. Alumni from two rival high schools battled each other throughout the day both on the hard court and the rink in a best 2 of 3 Super Series. LCVI won the series with a decisive 3-0 sweep of IE Weldon, however the real winners are the children of the community of Kawartha Lakes.

The Lindsay Unites Group is proud to announce that they were able to raise \$15,000 for Jumpstart at this year's event. The amount of support received from the community was inspiring, as 20 local businesses sponsored the event and over 500 people came out to support the cause. Lindsay is a community that supports Jumpstart through many community partners including Kawartha Haliburton Children's Foundation, Five Counties Children's Centre, Boys & Girls Clubs of Kawartha Lakes. Jumpstart and Lindsay together are proud to have helped 942 kids since the inception of the program in 2005.

Jumpstart and the Lindsay Unites Group would like to thank all those who donated, volunteered, attended and participated in helping the event be a success. For more information, please visit [www.lindsayunites.com](http://www.lindsayunites.com)
